

How to register

Register for Title Deeds Hlano Project

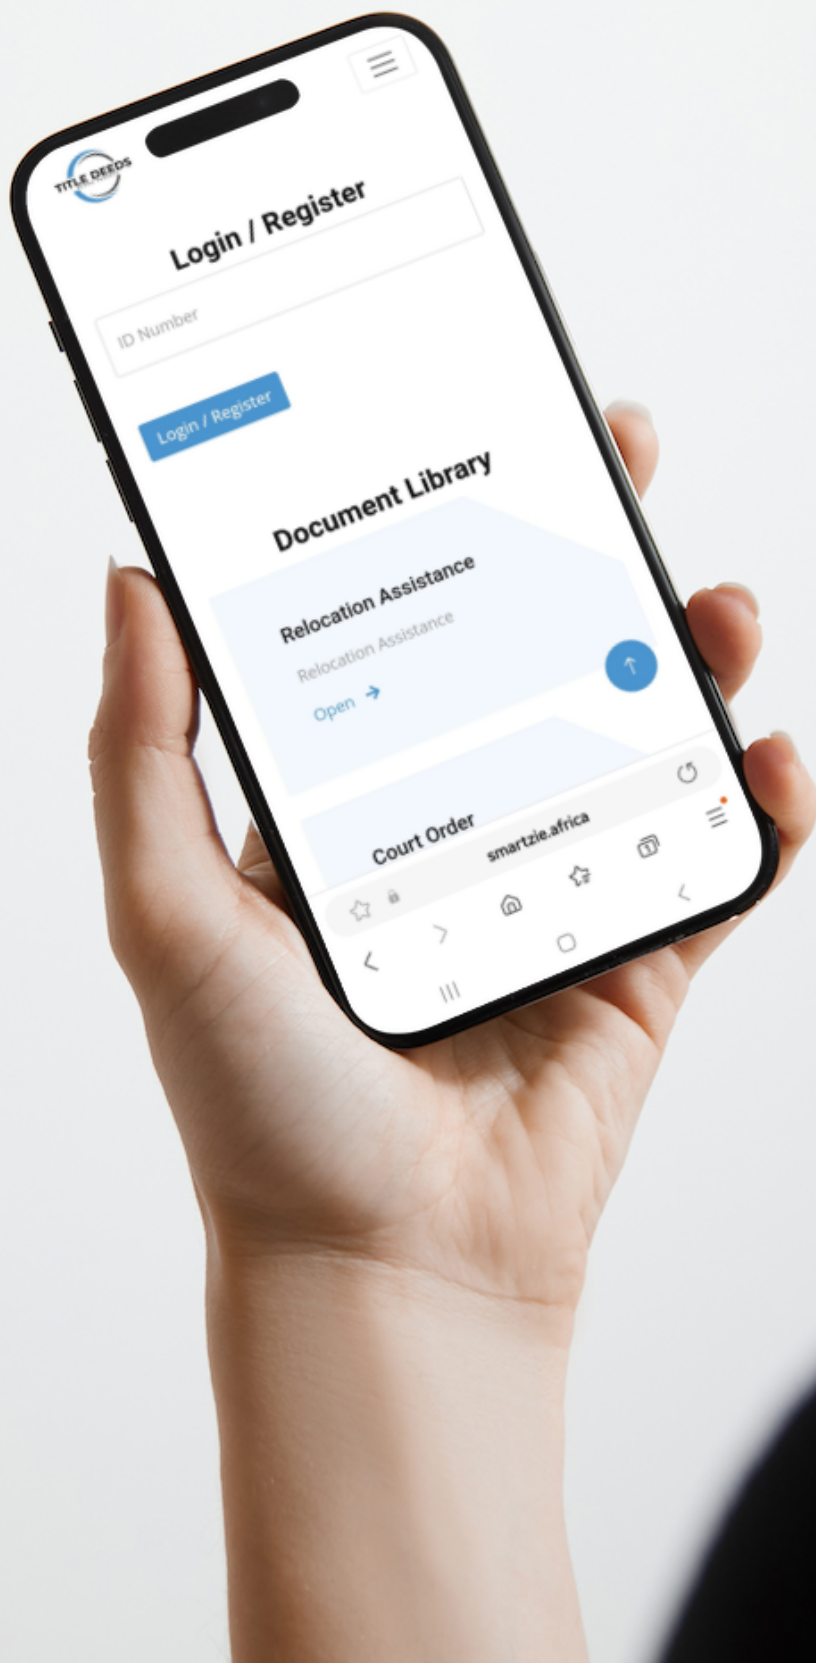

1

Click the link

<https://smartzie.africa>

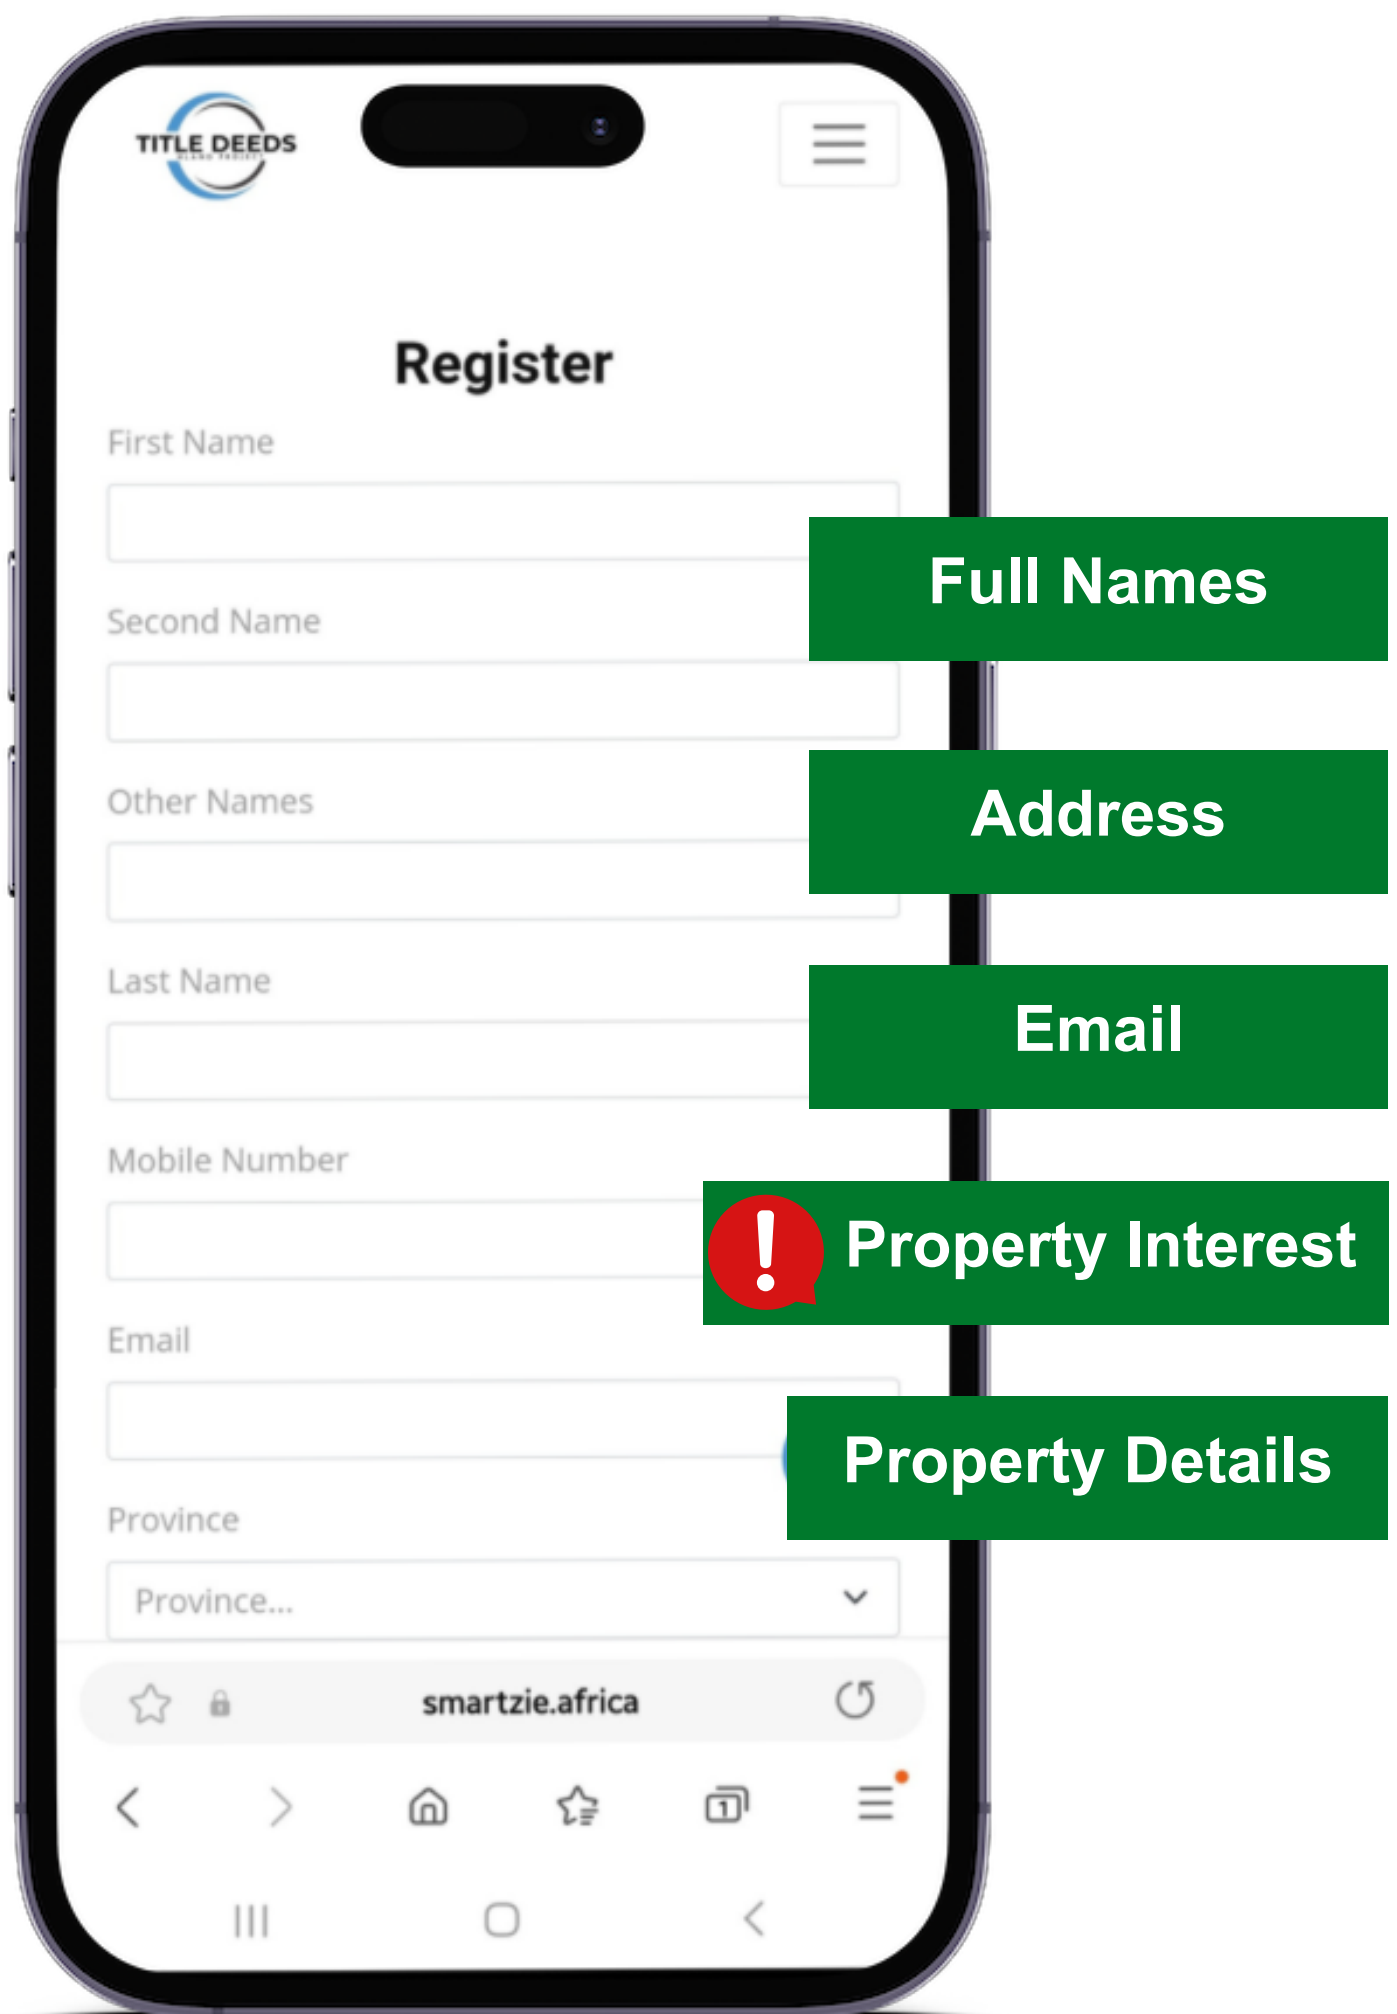

2

Register- 13 Digit ID

3

Complete the registration by entering or updating personal information

The image shows a mobile application interface for 'TITLE DEEDS' with a 'Register' form. The form contains several input fields, each with a corresponding green annotation box on the right. The annotations are: 'Full Names' for the First Name and Second Name fields; 'Address' for the Other Names field; 'Email' for the Last Name field; 'Property Interest' for the Mobile Number field, which includes a red exclamation mark icon; and 'Property Details' for the Email field. The form also includes a Province dropdown menu. The browser address bar shows 'smartzie.africa'.

Title Deeds Project

Document Library & News Updates

About the Project

The objective is to deliver unencumbered Title Deeds to over **9000 homeowners** who have waited decades for housing security and the opportunity of transferring wealth inter-generationally.

Accessing Unencumbered Title deeds

Thank you
